PRIVATE FIRE PROTECTION

AVAILABLE:

To all consumers using the District's facilities for private fire service, having separate service lines for this service.

The following rate applies to the fire service only and includes no allowance for water for other than fire fighting purposes.

RATES:

| | <u>Per Annum</u> |
|---------------------------|------------------|
| For each 1" service line | \$ 217.66 |
| For each 2" service line | 435.31 |
| For each 3" service line | 652.98 |
| For each 4" service line | 870.62 |
| For each 6" service line | 1,305.93 |
| For each 8" service line | 1,741.24 |
| For each 10" service line | 2,176.56 |

There will be no charge in addition to this for sprinkler heads, or hydrants supplied from the service line when installed and maintained by the customer.

CONDITIONS OF CONTRACT:

The District reserves the right to meter any fire line when evidence indicates that water is being taken from the line for purposes other than fire protection, and such metered service will be billed in accordance with the regular schedule of meter rates, in addition to the above rates, with proper allowance for water consumed during fire fighting.

TERMS OF PAYMENT:

Private fire services lines will be billed monthly in arrears or quarterly in arrears, at the option of the District. All bills shall be due and payable upon presentation. Bills unpaid 30 days after the postmark thereof shall incur late payment charges of 1% per month on the outstanding balance in accordance with rules established by the Public Utilities Commission.
