PRIVATE FIRE PROTECTION
ANNUAL RATES

SHEET 3
SIXTH REVISION

Customers using the Wiscasset Water District's service for private fire protections, the following rates shall apply. Private fire protection is solely for the use of fire protection only and includes no allowance of water other than fire fighting purposes. No unauthorized use is permitted.

Private fire protection charge does not include service and maintenance; additional services shall be treated as jobbing and shall be billed directly to the customer.

Customers using the district's service for fire protection, such as sprinklers, standpipes, etc. shall be responsible for maintenance, testing and inspection, copies of the maintenance records and inspections shall be submitted to the district annually.

FOR RATE INCREASE EFFECTIVE July 1, 2021

For each fire hydrant installed on owners premises \$ 675.49
