PUBLIC FIRE PROTECTION SERVICE RATES

For the public fire hydrants owned and maintained by the Water Department and connected to the Department's mains on July 1, 2020, there shall be paid to the Department the following public fire protection service charge:

	Monthly	Quarterly	Annual	
Town of Waldoboro 46 hydrants	\$7,208.00	\$21,624.00	\$86,496.00	I

For each public hydrant owned and maintained by the Water Department and installed after July 1, 2020 charges will be governed by Chapter 690 of the Commission's Rules and Regulations.

All public fire hydrants now existing or to be installed will be cared for and maintained in good working order (unavoidable accidents excepted) by the Water Department. Hydrants are to be connected only to mains having a diameter of 6" or larger. Once any fire hydrant is actually installed and in operation, the total annual fire protection service charge then in effect will not be reduced should the municipality served order one or more hydrants discontinued.

Should the municipality order any hydrant or hydrants moved to a different location, the municipality shall pay to the Water Department all costs of removing and re-installing said hydrant or hydrants.
