SHEET #2
THIRD REVISION

PUBLIC FIRE PROTECTION

RATE:

For the existing hydrants as installed on on the system at January 1, 2020, there shall be paid to the Water Works the following public fire protection service charges:

Town of East Millinocket	\$	80,723
Town of Medway	\$	4,702

Rate for hydrants installed after January 1, 2020, shall be determined in accordance with the Public Utilities Commission Rules and Regulations Chapter 69.

All public fire hydrants now existing or to be installed will be cared for and maintained in good working order (unavoidable accidents excepted) by the Water Works. Once any fire hydrant is actually installed and in operation, the total annual fire protection service charge then in effect will not be reduced should the municipality served order one or more hydrants discontinued.

Should the municipality served order any hydrant or hydrants moved to a different location, the municipality served shall pay to the Water Works all costs of moving said hydrant or hydrants.

TERMS OF PAYMENT:

Bills will be rendered Monthly, Quarterly or Annually at the discretion of the Selectmen of the Water Works.
