## PUBLIC FIRE PROTECTION

### Available:

For the existing public fire hydrants owned and maintained by the Water District's system on February 1, 2021, there shall be paid to the Water District by the municipality served an annual fire protection charge as follows:

Rate:

City of Presque Isle

\$526,518

Rates for new hydrants on mains existing as of February 1, 2021  
and for main extensions constructed after February 1, 2021

Rate for hydrants installed and for each main extension constructed after February 1, 2021 shall be determined in accordance with the Public Utilities Commission Rules and Regulations, Chapter 69.

All public fire hydrants now existing or to be installed will be cared for and maintained in good working order (unavoidable accidents excepted) by the District. Once any fire hydrant is actually installed and in operation, the total annual fire protection service charge then in effect will not be reduced should the municipality served order one or more hydrants discontinued.

Should the municipality served order any hydrant or hydrants moved to a different location, the municipality served shall pay to the District all costs of moving said hydrant or hydrants.
