SHEET #2  
FOURTH REVISION

PUBLIC FIRE PROTECTION SERVICE RATES

Available:

For the public hydrants owned and maintained by the Water District and connected to the Water District's system on January 1, 2022, there shall be paid to the Water District by the municipality served an annual fire protection charge as follows:

Town of Kingfield

For the existing hydrants,  
a total annual amount of:

\$78,065 per year

or \$39,033 semi-annually

Rate for hydrants installed after January 1, 2022, shall be determined in accordance with the Public Utilities Commission Rules and Regulations Chapter 690.

All public fire hydrants now existing or to be installed will be cared for and maintained in good working order (unavoidable accidents excepted) by the District. Once any fire hydrant is actually installed and in operation, the total annual fire protection service charge then in effect will not be reduced should the municipality served order one or more hydrants discontinued.

Should the municipality served order any hydrant or hydrants moved to a different location, the municipality served shall pay to the District all costs of moving said hydrant or hydrants.

Payment Terms:

Bills under Fixture Rate, Public and Private Fire Protection are net and will be rendered in advance. Whether the billing is Quarterly, Semi-Annually or Annually shall be determined by the Water District.
