FIFTH REVISION

PUBLIC FIRE PROTECTION

AVAILABLE:

To the Town of Danforth for municipal fire protection

RATE:

For the existing hydrants as installed on on the system at October 1, 2021,
there shall be paid to the Utility the following public fire protection service charge:

Annually
\$28,844

Rates for hydrants installed after October 1, 2021, shall be determined in accordance with
the Public Utilities Commission Rules and Regulations Chapter 69.

All public fire hydrants now existing or to be installed will be cared for and maintained in good
working order (unavoidable accidents excepted) by the Utility. Once any fire hydrant
is actually installed and in operation, the total annual fire protection service charge then in effect
will not be reduced should the municipality served order one or more hydrants discontinued.

Should the municipality served order any hydrant or hydrants moved to a different location,
the municipality served shall pay to the Utility all costs of moving said hydrant or hydrants.

Issued: May 19, 2021
Effective: October 1, 2021
