PUBLIC FIRE PROTECTION

Available: To the Town of Milbridge for municipal fire protection.

Rate: For the 21 public fire hydrants owned and maintained by the Milbridge Water District (the District) and connected to the District's mains on January 1, 2017, there shall be paid to the District the following public fire protection charge:

<u>Quarterly</u>	<u>Annual</u>
\$9,750	\$39,000

For each public hydrant owned and maintained by the District and installed after January 1, 2017, charges will be governed by Chapter 690 of the Maine Public Utilities Commission's Rules and Regulations.

All public fire hydrants now existing or to be installed will be cared for and maintained in good working order (unavoidable accidents excepted) by the District. Once any fire hydrant is actually installed and in operation, the total annual fire protection service charge then in effect will not be reduced, even though the municipality served should order one or more of its hydrants moved to a different location, the municipality shall pay to the District all costs of removing and re-installing said hydrant or hydrants.

Billing: Bills under Public Fire Protection will be rendered in advance.
