**Bridgton Water District
Service for Town Purpose**

Hydrant and Town Rates Applicable to the Town of Bridgton

- I. For the 89 fire hydrants on the system, all owned by the District and in existence on January 1, 2019, there shall be paid to the District by the Town of Bridgton, as fire protection charge, beginning October 1, 2019, the annual sum of \$205,903.15

- II. For each additional fire hydrant connected to any main in existence on January 1, 2019 or any additional fire hydrant authorized in writing by the Town as requiring the installation of a new main 6" or larger in diameter, there shall be paid to the District by the Town of Bridgton additional charges as computed under Chapter 69 of the Public Utilities Commission rules.

- III. All hydrants now in existence or to be installed will be cared for and maintained in good working order (unavoidable accidents excepted) by the District. Hydrants are to be connected only to mains having a diameter of 6" or larger. Once any fire hydrants are actually installed and in operation, the total monthly fire protection charge then in effect, shall not be reduced should the Town order one or more hydrants discontinued.

Should the Town order any hydrant removed to a different location, the Town shall apy all cost of moving said hydrant or hydrants.

- IV. All present and future buildings or water service owned or operated by the Town, or owned and operated by any present or future school, sewer or other district or any subdivision thereof, shall be metered the same and shall be billed the regular filed meter rates. Further, the regular "Private Fire Protection" rates, if applicable, shall apply also to the above mentioned property. The Town shall be bound by all the applicable rules and regulations as filed with this rate schedule.

TERM OF PAYMENT:

Bills under this rate will be in advance and are due and payable upon presentation

Whether the billing is monthly, quarterly, or semi-quarterly, is as agreed between the District and the Town.
